**WHERE EVERY DAY
IS MARDI GRAS!**

Now you're
in store for a
whole lotta
**Mardi
Gras!**

Tour and Transportation \$40.00

On your ride to Mardi Gras World you will pass over The Mighty Mississippi via The Crescent City Connection

Our hour-long Mardi Gras World tour will give you and your tour group an insider's view of how Mardi Gras is made, including a video on the history of Mardi Gras and background on the real traditions of Mardi Gras in New Orleans. Take what many say is one of the best tours in New Orleans—you and your group will have the opportunity to dress like a Mardi Gras float rider, enjoy a slice of the famous Mardi Gras king cake and so much more. There is nothing like a New Orleans Mardi Gras, and there's no other tour in New Orleans that will get you closer to the action than what you'll find at Mardi Gras World – come visit

Since 1947, our artists and craftsmen have designed and built the oldest and biggest parade floats and attractions for each Mardi Gras season, with over 500 floats built and decorated each year. When you begin your Mardi Gras World tour, you'll get an overview of the history of Mardi Gras in New Orleans before our guides take you through our float den, where our artists work year-round to build spectacular floats and props. You never get this close to the floats while they're rolling in Mardi Gras parades, and this is certainly the only place to see how these amazing pieces come to life each year. When you're sightseeing in New Orleans or looking for fascinating tours in New Orleans, this is something you just can't miss. Come see where the Mardi Gras magic is made!
