[www.facebook.com/ballandchaincoverband](http://www.facebook.com/ballandchaincoverband)

BALL & CHAIN is a High Energy Duo created from combined musical experiences of over 85 years and a happy marriage of over 34 years.

Consisting of Bonny on Vocals and Gino on Guitars & Vocals, BALL & CHAIN utilizes full band backing tracks along with our unique musical talents, energetic showmanship and friendly persona to entertain people of all ages and musical preferences. Pulling from our own wide range of musical interests and influences, our songs represent many musical genre's spanning time from the 1950's to present. Whether it's Classic Rock, Old & New Country, Rhythm & Blues, Disco, Soft Rock, Standards, Oldies, etc... BALL & CHAIN offers something for everyone, even a couple funny songs just for laughs!

Music and people are our passions and we go to great extents to produce a very clear, volume controlled sound so that everyone can hear every word and feel free to sing along. We pride ourselves in our clean stage setups with props and LED lighting and always take every opportunity to share our passions with our audiences as we move among the crowds during our shows encouraging people to sing along and/or dance with us. We occasionally pull people up on stage to share in on the fun as well.

We love what we do and thoroughly enjoy the many friends that we have made and look forward to every new acquaintance along the way. Many have become personal friends and are not only part of our Facebook band page but friends on our personal pages as well. In celebration of our friends we hold an Annual Fan Appreciation Party every year where we can all enjoy each other for an afternoon and evening of good food, belly-busting laughter and music. Bonny and I are always available though our personal phone numbers, Facebook messaging and email addresses.... we look forward to communicating with our fans and friends on a daily basis.
