91st Annual Convention Ladies Brunch

Café Linger opened its doors to the wonderful community of Orlando in May 2018. With the owner's German heritage, it was very important to her to give people time to enjoy food and drinks at Café Linger, rather than rushing people out the door. Everyone is in a hurry already and we like to invite you to take out some speed while you eat, drink and repose. It is our passion to create unique guest experiences and serve quality products to our patrons. We use traditional European cooking techniques turning them into simple, yet delicious dishes along with classic Espresso based drinks and carefully selected beers and wines. We like to be the treat to your day. Let's linger... <https://cafelinger.com/>
